## Annual Speedway Motors Midget Money Week About to Begin

As in the past couple of years, this western swing starts with a stop on Sunday night, August 1, at US 36 Raceway in Cameron, Mo. followed by a Monday night event at Butler Speedway in Rising City, Nebraska and then two Nights (Tuesday and Wednesday) at Junction Motor Speedway in McCool Junction, Nebraska.

On Monday, August 2, Speedway Motors is offering free tours of their operation as well as Speedy Bill's Museum to race teams and fans from 11:00 a.m. to 2:00 p.m. This is a great opportunity for a fun afternoon before going out to the track.

We are inviting you to join us on the trip. If you have a camper, it is a great way to have a racing vacation. All race tracks will allow overnight camping but they have NO HOOKUPS. If you don't have a camper, racer rates are available as follows:

**Holiday Inn:** They are located at 4619 South Lincoln Ave. York, NE. 68467. You can reach them at 402-362-6661 or 1-800-934-5695. POWRi Racing rate is \$85.00 per night; please let them know you are racing with POWRi.

**Camelot Inn and Suites:** located just 5.7 miles from Junction Motor Speedway, is offering fans, sponsors, and teams attending Midget Money Week the advantage of a special POWRi rate of \$44.95 just by mentioning the code "JMS" when booking your reservation. This exclusive rate is valid for any single or double room with up to four guests per room, at no additional cost. Phone 1-866-575-2152.

**COME ON ALONG—THE RACIN'S FINE**

## Pit Scenes—

Ever wonder what goes on behind the scenes at a POWri event? These snaps were taken during the Land of Lincoln Speed Week, July 23/25. Although most of the weekend was eventually washed out, racers made preparations up until the storms hit and the race at Macon was cancelled at 5:00 p.m.

The Buggies are ready to unload.

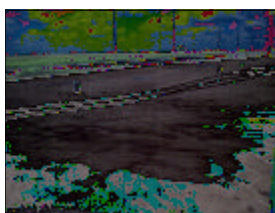

Double decker pit space.

Registrars & scorers reporting to work.

Promoter Bob Sargent laying down the rules.

This is why we couldn't race at Shepp's Speedway. It was a mud bog. Maybe we need another division to do Mud Races. Ya think?
