 - iii. In the event of a rain out after a feature field has been set, all drivers in the feature field will be awarded 150 points each. Any driver not transferring to the feature event that runs the semi-feature will receive 50 points each.
- d. A point fund and other awards will be presented during the annual Awards Banquet to be held at the completion of the race season. To be eligible to receive an award from the point's fund, a member must participate in at least 80% of the completed events during the season.

Provisionals

- a. To be eligible for a provisional, the driver must be a current member at the time the provisional is to be taken.
 - i. Drivers who are current members are eligible for (3) three provisional starts per season.
 - ii. To qualify for a provisional, the driver must be in the top twenty in driver points at the time the provisional is to be taken and must have registered to participate in the event at which the provisional is to be used.
- b. The eligible and qualified driver that is highest in the current driver point standings will be the first entitled to a provisional. If that driver elects not to use a provisional, the eligible and qualified driver that is next highest in the driver point standings will then be entitled to a provisional. A provisional will pay the car's finish position minus last place money.
- c. Prior to the first two races of the current season, provisionals will be based on the season ending driver points from the previous season. After the first two races of the current season, provisionals will be based on the current driver point standings.

Rookie of the Year

- a. To qualify for Rookie of the Year, a participant must be approved by the Series Director. The definition of "rookie" will be determined by the Series Director.
