

## **POWRi Format - Single Car Qualifying**

### **Pill Draw**

- Drivers will pill draw for their Qualifying position.

### **Qualifying**

- Qualifying will take place in the order of the Pill Draw and will be 2 consecutive timed laps.
- Qualifying points will be awarded based on the Driver's best-timed lap.
- Drivers who miss their Qualifying attempt will be given one lap at the end of the scheduled running order.

### **Heat Races**

- Heat Races will be lined up with a four-car inversion, based on Qualifying Times. Drivers outside of the inversion will line straight up, starting in the 5th position.
- The POWRi Passing Point system will be used for Heat Races.
- Top 16 in combined Qualifying and Passing Points will advance to the A Feature. (Point Tie Breaker being Fastest Qualifying Time)
- Remaining drivers will be placed in a Semi-Feature - based on car count.

### **Semi-Features**

- The number of semi-features and lower mains will depend on the final car count.
- Semi-feature transfers will depend on the final car count.

### **Feature**

- Top 16 in combined points will line straight up based on combined points, with the Semi-Feature transfer cars lining up behind.
- 22 Cars to start Feature Event, with Provisionals available.
