

2023 Hockett / McMillin - Format

Thursday 9/14 & Friday 9/15 - 2023

Pill Draw:

- A. Draw for Qualifying Group (Qualifying will take place during Hot Laps)

Qualifying:

- A. Qualifying will take place during Hot Laps (each group will be split in half; max car per hot lap/qualifying session is 5 cars)
- B. Qualifying Point Scheme: 20pts,16pts,13pts,10pts, 9pts, 8pts, 7pts, 6pts, 5pts, 4pts, etc.

Heats:

- A. Heats will be lined up with a four-car inversion. Drivers outside the inversion will be lined up straight up by qualifying times. POWRi Passing Points will be utilized for heat races.

Features:

- A. Qualifying Points and Passing Points will be combined to set the feature lineup.
- B. Top-16 in combined points will automatically advance to the A Feature.
- C. Non-Transfers will be lined up in the semi features based on combined points. Ties will be broken by drivers qualifying times.

Event Points are awarded to each driver. Event points are used to set the field for Saturday.

Qualifying and Heat Race Points are awarded: 10, 9, 8, 7, 6, 5, 4, 3, 2, 1

B-Feature Points, starting with the first non-qualifier, are awarded: 87, 86, 85, 84, 83, 82, 81, etc.

A-Feature points are awarded: 150, 142, 135, 130, 125, 122, 119, 116, 113, 110, 108, 106, 104, 102, 100, 98, 96, 94, 92, 90, 89, 88

Saturday 9/16 - 2023

Top 8 in totaled event points will be locked into Saturday's A Feature. Drivers will be lined straight up from the event points in the A Feature with ties being broken by their finish from their prelim night.

Remained of the field will be lined up straight up off event points into 4 last chance qualifiers. Top 4 will advance to the A Feature. (24 cars will start the feature)
