

POWRi Format - Group Qualifying

Pill Draw

- Drivers will pill draw for their Qualifying/Heat Race Group.

Qualifying

- Qualifying will be 3 laps, with 4-5 cars on the track at a time.
- Drivers will only Qualify against their Heat Race.
- Qualifying Points will be awarded in each group as follows based on the best timed lap: 1-50, 2-48, 3-46, 4-44, 5-42, 6-40, 7-38, 8-36, 9-34, 10-32.

Heat Races

- Heat Races will be lined up with a four-car inversion, based on Qualifying Times. Drivers outside of the inversion will line straight up, starting in the 5th position.
- The POWRi Passing Point system will be used for Heat Races.
- Top 16 in combined Qualifying and Passing Points will advance to the A Feature. (Point Tie Breaker being Fastest Qualifying Time)
- Remaining drivers will be placed in a Semi-Feature - based on car count.

Semi-Features

- The number of semi-features and lower mains will depend on the final car count.
- Semi-feature transfers will depend on the final car count.

Feature

- Top 16 in combined points will line straight up based on combined points, with the Semi-Feature transfer cars lining up behind.
- 22 Cars to start Feature Event, with Provisionals available.
